

# 2018 PGA Junior League Golf at High Cedars Golf Course!

**The Format:** Entering our 6th season of PGA Junior League (PGAJLG), we are very excited to continue and hopefully grow the number juniors participating at High Cedars Here's how it works:

- Boys and girls ages 7-13 are welcome...coed team golf is awesome!
- Weekly team practices sessions (60 mins) with coaching by Sara & Chris Griffin, Scot Solomonson or Chris Ming.
- Great way to get juniors on the golf course playing in a non-threatening environment with a partner in a scramble format!

## **The 2018 Schedule (Tentative):**

- Team practices will be on Mondays or Tuesdays beginning April 23<sup>rd</sup>. The first week there will be open practice times where PGA coaches will work with juniors, but also evaluate them so teams can be evenly setup. *[Said open practice times TBA, but likely planned for 4 pm and 5 pm on Monday & Tuesday.]*
- *If we can get 40 kids+, we'll be able to have our own league or at least minimize travel to other sites.* Once rosters are set, we'll communicate each team's practice time for the season.
- First match is set for Sunday, 5/6 @ 3 pm. (For 5/27, we'll likely cancel matches due to Memorial weekend.)
- Final league match projected to be Father's Day, but if weather is challenging could be the last Sunday in June 6/24...then we'll assemble our All-Star team.

## **The Fees:**

- \$299\* per junior member
  - Fees include eight (8) team practice sessions with Sara or Chris Griffin or Scot Solomonson or Chris Ming
  - 6-8 team matches (depending on size of league, # of teams in league)
  - PGA JLG official team jerseys (HOME & AWAY), T-shirt, JLG bagtag, hat and "Flag Stickers" for captured flags
